Govt. Polytechnic Yavatmal
Diploma in Computer Engineering

SUMMARY

I am an aspiring Computer Science and Engineering student with a solid technological foundation. Holding a diploma in Polytechnic, I've dedicated myself to mastering a diverse skill set. This includes proficiency in Python programming, web development, and graphic design. My attention to detail extends to User Interface (UI) and User Experience (UX) design, enabling me to craft immersive and intuitive digital experiences. Explore my portfolio to witness the fusion of my technical expertise and creative ingenuity, bringing innovative concepts to life.

EXPERIENCE

Alfido Tech

Python Development Intern / Oct-Nov 2023

- Passionate Python Development Intern with a flair for creating interactive solutions. Skilled in web apps, data analysis, and automation, I bring a problem-solving mindset and clean coding expertise to every project.

Alfido Tech
